

RUBBER MULCH

FEATURES

- An ideal material for home or commercial landscape projects
- Each bag of mulch recycles 2 scrap tires
- Looks like real wood mulch but lasts 5x longer
- CSA approved & fall-rated for playgrounds
- Non-toxic, non-flammable
- Inhibits weed growth
- Resists mold, mildew and fungi
- Reduces chemical use
- Deters insects and rodents
- Won't float or blow away

MAINTENANCE

- Maintenance free, long lasting, colorfast, won't rot or compact
- No seasonal replacement

PACKAGE SIZE

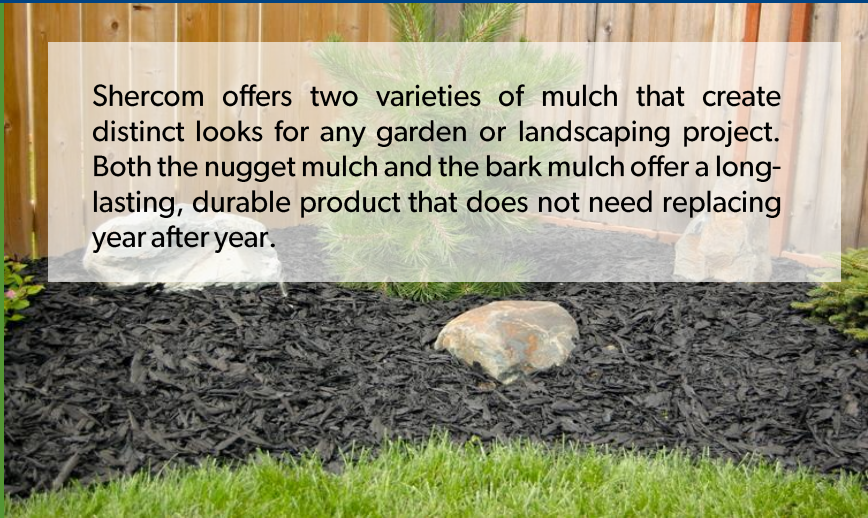

Rubber Bark Mulch:

- available in 30 lb bags (covers 10 sq ft at 1.5" depth); 40 bags * 30 lbs / skid

Rubber Nugget Mulch:

- available in 35 lb bags. (covers 10 sq ft at 1.5" depth); 40 bags * 35 lbs / skid

Shercom offers two varieties of mulch that create distinct looks for any garden or landscaping project. Both the nugget mulch and the bark mulch offer a long-lasting, durable product that does not need replacing year after year.
